

MHP TECHNOLOGY

DAHLE 414air

Innovative document shredder with MHP Technology®
for superb performance - without any oil whatsoever

Shredding capacity: 24-26 sheets (A4 80gsm)

Shred width: 4mm x 40mm

Security levels: P-4/F-1/O-3/T-4/E-3

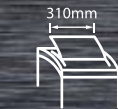

- User-friendly document shredder for large volumes
- Unique DAHLE CleanTEC® filter system
- Innovative MHP® (Matrix High Performance) cutters: high-quality compound steel cutters that are guaranteed to last
- Patented manufacturing process preserves resources by considerable saving of raw materials compared to a conventional production of cutting cylinders
- Oil and maintenance free operation
- Systematic use of perfectly matched components ensures optimum functionality and shredding performance
- Clearly designed, user-friendly control panel
- Electronic start-stop function
- Convenient automatic reverse function
- Convenient feed and reverse function
- Automatic motor cut-out
- Energy-saving sleep mode
- Powerful motor
- Extremely quiet operation
- Separate CD feed and waste container
- High-quality wooden cabinet
- 2 year warranty
- Separate main switch
- IEC power connector
- 11 strong waste bags included
- Dimensions (H x W x D): 890 x 734 x 511 mm

CE Compliant

High volume document shredder - maximum performance to meet high expectations

Entry width 310mm

Waste collection volume 140 litres

Cross cut 4mm x 40mm

Wattage 900 watts

Convenient swivel casters with brake for reliably keeping the document shredder firmly in place

Carries the GS Intertek test mark

Comfortable and environmentally friendly shredding – no time-consuming lubrication of the cutting cylinders required

Extremely quiet operation for a particularly pleasant working atmosphere. 52 dB (A) when idle.
